

Start-up Village

Introduction

Following the success of the **Attention Agripreneur** programme at ABIM 2024, we are thrilled to announce an exciting new development for start-ups at ABIM 2025. We are delighted to offer a brand new area in a prime location, where we will proudly showcase the remarkable innovations in biocontrol and provide a fantastic platform for new small companies to thrive within the sector. We are committed to making this exhibition space as affordable as possible, ensuring that costs for start-ups are kept to a minimum.

Booking of space

Booths can be booked through the online booking system on a first come, first served basis. Booths cannot be reserved. The online booking system opens in April 2025.

ABIM AG will invoice exhibitors after ordering. Payment terms: 30 days. Bookings made after 1 August can be paid by credit card only.

ABIM reserves the right to determine the layout of the Start-up village. The final layout depends on the number of exhibitors. Spaces will be allocated at the discretion of ABIM AG.

ABIM AG reserves the right to refuse bookings if the company does not meet the start-up status (small and new company).

Graphics

Send print data for graphics to conference@abim.ch: 12 September 2025

After this date production can no longer be guaranteed and express charges arise.
